### BAND STORY

"

I have been a member of the Songwriters' Workshop and writing songs since 2000. The influence that the Dayton/Cincinnati songwriters' workshop has had on me has been huge. It provides the opportunity to learn, to perform, to support, to be supported, and so much more with my music. I live in the Columbus, Ohio area and am part of the singer/songwriter community there, as well.

Besides here, you can listen to some of my songs at:
