One of my favorites

I've spent a lot of time listening to Nuno Bettencourt, born September 20, 1966 he's about the same age as I am. What he is also would be inspiring. I followed him through the years with Extreme and saw them twice in concert. Pretty amazing playing and arranging. From More Than Words and Whole Hearted to the heavier rock of this goup it was done with a plethora of harmony. One of my inspirations in the band Nuno went on to solo work that became more organic, but always loaded with melody and harmony. Kudos to Nuno!
