BAND STORY

"

Born and raised in Ohio. Currently reside in eastern Cincinnati with my wife, who has tolerated

me for 26 years. (What a saint!) We have 3 progeny: 1 girl, 2 boys, ages 18 - 21.

I wrote and performed some in high school, but didn't play much after until my mid-twenties, when between chasing my wife and kids, and working, I played worship venues, in jails, and some at Borders. During this time, I was also smitten with the home recording bug. the writing of poetry was also taken up.

about 4 years ago I took a break from playing music, but continued writing poetry and pros. this winter I started playing again, and was recently invited to a songwriter's workshop. I've only been to a few sessions, but I'm truly enjoying it.
